Subject: **Free LIVE Coding Workshop for Students (Classes I–X)**

**Dear Parents,  
Greetings from IEM Public School!**

We are pleased to inform you that an exclusive **LIVE Coding Workshop** titled “**Think, Build, Code: Where Ideas Become Real Programs**” is being organized for the students of Classes I to X.

This engaging and interactive session aims to introduce students to the world of coding in a simple, creative, and hands-on manner.

### **Workshop Details:**

- **Date:** 9th May & 10th May 2026
- **Time:** Multiple slots (Limited seats per slot)
- **Platform:** Zoom
- **Eligibility:** Classes I–X
- **Cost:** Free of charge

### **Key Highlights:**

- Build games, animations, or AI-based projects (as per grade level)
- Enhance logical thinking and problem-solving skills
- Understand how apps, games, and technology work
- Gain confidence by creating real programs
- Certificate of Participation
- Opportunity to win scholarships for top performers

Students will actively participate in guided activities led by expert coding educators, making this a truly enriching learning experience.
