

IEM PUBLIC SCHOOL

NOTICE

Session: 2026-2027

Date: 08.05.2026

Ref. No. IEMPS/SL/NOTICE/2026-27/40

Subject: **Security of School Domain Email Accounts**

**Dear Parents,
Greetings from IEM Public School!**

This is to inform you that a case of unauthorized access/misuse of certain school domain email accounts has recently been reported. In view of this incident, all students are advised to maintain the security and confidentiality of their school domain IDs and passwords.

Parents are requested to ensure that their ward changes the password of their school domain account at regular intervals and does not share login credentials with anyone. Strong passwords should be used to avoid any security violations or misuse of accounts.

Students are also advised to immediately report any suspicious activity related to their accounts to the school authorities.

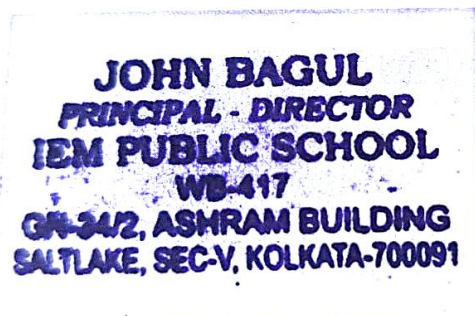

Please note that strict disciplinary action will be taken against any student found involved in hacking, unauthorized access, misuse of accounts, or any activity violating the school's cyber safety guidelines.

We seek the cooperation of all parents and students in maintaining a safe and secure digital environment.

Warm regards,

Thank you.

Mr. John Bagul
Principal-Director
IEM Public School, Salt Lake
