Subject: **Reminder – Free LIVE Coding Workshop for Students (Classes I–X)**

**Dear Parents,
Greetings from IEM Public School!**

This is a gentle reminder regarding the upcoming **FREE LIVE Coding Workshop** titled “*Think, Build, Code: Where Ideas Become Real Programs*” scheduled for **9th & 10th May 2026**.

We strongly encourage all students of **Classes I to X** to participate in this exciting and enriching session. It is a wonderful opportunity for students to explore the world of coding, develop logical thinking, and create their own games, animations, or projects under expert guidance.

❖ **Why students should not miss this:**

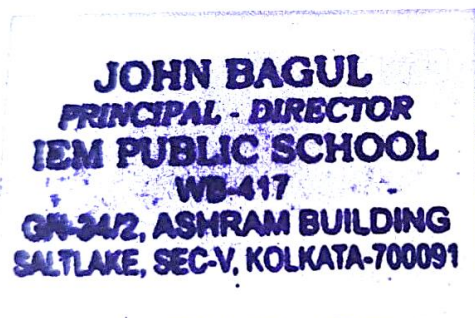

- Hands-on learning experience
- Build real projects
- Boost creativity and problem-solving skills
- Certificate of Participation
- Chance to win scholarships

❖ **Limited seats available!** Registration is mandatory and should be completed at the earliest to secure a slot.

Let us motivate our students to take a step towards becoming **future innovators and creators**.

Thank you.
