## **NOTICE**

Session: 2026-27

Date: 23<sup>rd</sup> June, 2026

Ref. No. IEMPS/SL/NOTICE/2026-27/64

Subject: **Strict prohibition of mobile phones and electronic gadgets in school**

**Dear Students (VI to XII),  
Greetings from IEM Public School!**

This is to remind all students that carrying mobile phones or any other electronic gadgets to school is strictly prohibited.

Despite several notices issued earlier, it has been observed that some students continue to bring electronic devices to the school premises. Such actions are a violation of school rules and are viewed seriously by the school administration.

Students of **Classes VI to X** are **strictly prohibited** from bringing mobile phones or any electronic gadgets to school.

Students of **Classes XI and XII** may bring a mobile phone only with **prior written permission** from the **Principal-Director**.

The following rules will be strictly enforced:

1. **Any unauthorized mobile phone or electronic gadget found in a student's possession will be confiscated immediately and will be returned only at the end of the academic session. Only the SIM card and memory card (if any) will be handed over to the parent/guardian upon request.**
2. **Parents/Guardians will be informed of the violation.**
3. **Repeated violations will attract strict disciplinary action as deemed appropriate by the school authorities.**

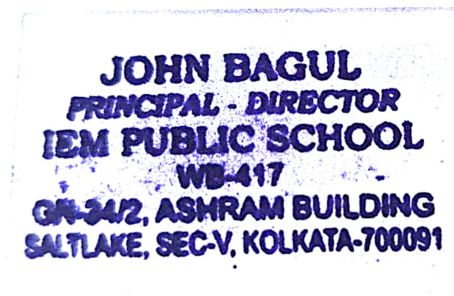

Parents are requested to cooperate with the school by ensuring that their wards strictly comply with these instructions.

The school administration expects all students to maintain discipline and uphold the rules and regulations of the institution.

Thank you.

**Mr. John Bagul**
