Ref No. IEMPS/SL/LETTER/2026-27/16

Dated: 12th June 2026

Dear Students,

Welcome back after your refreshing summer break.

As we move ahead, we look forward to new hopes, fresh opportunities, and countless possibilities waiting to unfold. Each new beginning is a chance to learn, unlearn, relearn, grow, and create beautiful memories.

It is truly heart-warming to see the school come alive again with your smiles, laughter, and vibrant energy. The corridors feel brighter, the classrooms livelier, and the entire campus resonates with enthusiasm as you walk in with confidence and excitement.

This year, focus not only on academic excellence and sports but also on each of you becoming better individuals. Be mindful of your actions, respectful towards others, and responsible in your choices. Take care of your physical and mental well-being, as they are the foundation of true success.

Use technology wisely—as a tool for learning and growth, not as a distraction. Value your teachers in school and your parents at home, for their guidance will shape your path and help you achieve your goals.

Each new beginning is a chance to learn, grow, and create beautiful memories. We at IEMPS warmly welcome all of you to this wonderful journey.

Always remember, discipline, punctuality, and consistency are the keys to success. Believe in yourself, stay determined, and never be afraid of challenges as they make you stronger.

To our 2026-2027 Board batches of class X and XII, see that you are on the right path. Stay focused and keeps working on the results. Discipline your mind to make sure that you have your set target.

Let us begin this post summer session with positivity, confidence, and a commitment to give our best in everything we do. Our teachers are always ready to support you through your tough times and challenges. They have rejuvenated themselves with courses that would aid them to achieve your success. Together we can make a difference. Let's all work to achieve our goals.

Before we conclude, I would like to remind all students that maintaining discipline and upholding the school's standards are essential responsibilities. Therefore, all students are expected to report to school:

- in complete and proper school uniform.
- wearing the prescribed school shoes and socks.
- carrying the required school bag, books, and stationery.
- arriving within the stipulated reporting time.
- maintaining a neat and proper haircut as per school norms.
- avoiding any funky hairstyles, coloured hair, fashionable cuts, or any appearance that does not conform to school discipline standards.

Your cooperation in adhering to these guidelines will help maintain the decorum, discipline, and positive learning environment that our school stands for.

Wishing you all a joyful, successful, and fulfilling academic year ahead!

Warm regards,

Mr. John Bagul,

Principal-Director

IEM Public School, Salt Lake, WB 417
