

IEM PUBLIC SCHOOL

NOTICE

Session: 2026-2027

Date: 22nd July 2026

Ref. No. IEMPS/SL/NOTICE/2026-27/81

Subject: Health Advisory – Prevention of Seasonal Influenza (H1N1/Swine Flu)

**Dear Parents,
Greetings from IEM Public School!**

In view of the recent increase in reported cases of **H1N1 (Swine Flu)** and other seasonal viral infections, we request your wholehearted cooperation in ensuring the health and safety of all students.

Kindly take note of the following guidelines:

- **If your ward is experiencing fever, cough, sore throat, breathing difficulty, body ache, vomiting, diarrhea, or any flu-like symptoms, please do not send your ward to school. Seek medical advice and allow your child adequate rest and recovery.**
- **Encourage your ward to maintain good personal hygiene, including frequent hand washing, proper cough/sneeze etiquette, and carrying a handkerchief or tissues.**
- **Students are encouraged to wear a mask if they have mild respiratory symptoms or while travelling in crowded places, as a precautionary measure.**
- **During the ongoing monsoon, if your ward's school shoes get wet due to rain, they may come to school wearing any clean covered footwear (closed shoes) to ensure their comfort and health. The regular school shoes may be worn once they are dry.**
- **Please ensure your ward carries a clean water bottle and maintains cleanliness at all times.**

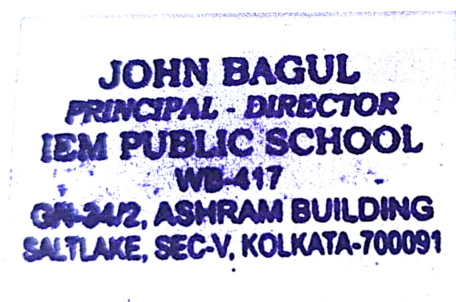

Your support and cooperation are essential in helping us maintain a safe and healthy school environment for everyone.

Stay safe. Stay healthy.

Thank you.

Mr. John Bagul

Principal-Director
IEM Public School, Salt Lake
