Subject: Mock Test & Pre-Boards Schedule for Class XII for the Session 2026–2027

**Dear Parents (Class XII),
Greetings from IEM Public School!**

As our students of **Class XII** move towards their Board Examination, the school will be conducting a series of **Mock Tests and Pre-Board Examinations** to help them become familiar with the examination pattern and prepare with greater confidence and score well.

These Mock Tests are planned as a **practice opportunity** for students to understand their strengths, identify areas where they can improve, and work towards achieving their best possible results.

The schedule is as follows:

Examination / Test	Date of Commencement
Mock Test I	21 st September
Mock Test II	12 th October
Mock Test III	17 th November
Pre-Boards	9 th December

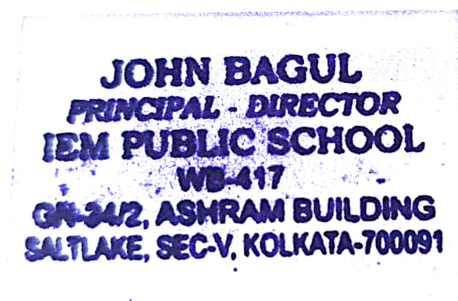

The detailed examination routine, including subject-wise dates and timings, will be shared separately by the respective Class Teachers. During the Mock Tests dispersal will be as per normal school hours (02:20pm).

Students are advised to prepare accordingly and remain regular in attendance during the examination preparation period.

Parents are requested to take note of the above schedule and ensure that their ward is adequately prepared for each assessment.

Thank you.
